EXT. SIDE STREET - DAY

The camera pulls back as Jerry tapes an Audition Flyer onto a street post. He counts his remaining flyers.

A FIT GIRL jogs over, intrigued, and starts reading the flyer.

FIT GIRL
Are you having auditions?

JERRY
Yeah, next Tuesday.

FIT GIRL
That's so cool. I'm an actress.

JERRY
Oh, what a coincidence. What films have you done?

FIT GIRL
Oh mostly just OnlyFans stuff, you know. I'm really trying to branch out into movies though.

JERRY
Oh cool, yeah. You should definitely come out and audition.

A strong voice cuts in from off-camera.

FIT GUY
Babe! What's going on?

FIT GIRL
Oh hey babe, this guy is having auditions for his new movie.

FIT GUY
Oh sick, bro! What kind of movie?

JERRY
It's a sci-fi thriller.

FIT GUY
That's tight! My girl and I shoot a lot of our own stuff.

FIT GIRL
I was just telling him that. Babe, show him our new vid.

FIT GUY
Oh dude, check this out.
