INT. EMMA'S BEDROOM - DAY

IMOGEN (18) zooms her video camera as she frames EMMA (18) by the window. They both just came home from school.

EMMA

Not so close!

IMOGEN

Chill out, you look great! Have you thought about what you're gonna do for your multimedia project?

EMMA

I've had a couple of ideas. Can your camera do night vision?

IMOGEN

I think so. Hold on, let me see.

Imogen checks the buttons on her camera. She presses a "Night Mode" button.

IMOGEN (CONT'D)

Voila! We're in night mode.

EMMA

Does your brother still work at the car shop downtown?

IMOGEN

Yeah, why?

EMMA

We're gonna need a couple of his friends.

IMOGEN

This smells like another prank video. It just can't get out of hand. My mom will actually kill me this time.

EMMA

It's gonna be a whole lot bigger than just a prank video.

IMOGEN

Should I be concerned?

Emma smiles deviously. Imogen zoom's into Emma's eyes.

IMOGEN (CONT'D)

I'm concerned.
