INT. SCHOOL HALLWAY - DAY

MARY (18) walks through the school hallways, as she notices VICE PRINCIPAL REED (early 50s, slightly flamboyant), walking straight towards her.

VICE PRINCIPAL REED  
Well if it isn't Mary Lyon.

MARY  
Well if it isn't, Mr. Reed.

VICE PRINCIPAL REED  
You ready to finally lose your trivia streak.

MARY  
You wish. What do you got for me?

VICE PRINCIPAL REED  
Which classic horror film stars a serial killer dressed as William Shatner?

MARY  
Halloween. Easy. Thought you'd have good ones today.

VICE PRINCIPAL REED  
Alright, alright. What is Nancy's address in the original Nightmare on Elm Street?

MARY  
1428 Elm Street.

VICE PRINCIPAL REED  
Girl, you know way too much. Get to class and go study something else.

Mary laughs.

MARY  
I can definitely try.

Vice Principal Reed begins to walk away.

VICE PRINCIPAL REED  
I'll get you next time!

MARY  
You won't, but good effort Mr. Reed!
