AUDITION SIDE

INT. CAR - SCHOOL PARKING LOT - DAY

MARY (18) and MIRANDA (18) enter Mary's car, as they sneak away from study hall. They're both looking very giddy and excited.

MIRANDA

He didn't!

MARY

He did. He freakin did.

MIRANDA

Wait, okay. Start from the beginning, because I feel like I just came in at the very end of the conversation.

MARY

He came up to my locker, and just asked for help on his multimedia project.

MIRANDA

At his house?

MARY

Yeah, I guess that's where he wants to meet.

MIRANDA

You've been in love with this kid all summer long, how are you not freaking out right now?

MARY

I know! I'm still processing it. What is life right now?

MIRANDA

You do realize I can't let you go on this study date alone.

MARY

Are you trying to third wheel?

Miranda hands Mary her camcorder.

MIRANDA

You need to document it.

MARY

Miranda! No!

MIRANDA

My multimedia project is a documentary about your life. This will be a major moment for your character arc!

MARY

I'm not gonna shove a camera in this kid's face!

MIRANDA

C'mon! Please!

MARY

No!

MIRANDA

Please!

MARY

No!!

MIRANDA

Please!!

MARY

No way!
