CORY

It's crazy out there. You think  
there's another raid about to  
happen?

LEANNE

The world's gone to shit, Cory. It  
doesn't matter.

CORY

I gotta say, you're probably the  
only person I know who doesn't use  
the gloves. Why is that?

LEANNE

Long story.

CORY

I have time.

LEANNE

I don't. I gotta get back to work.

CORY

with us?

GUEST  
Just for the night.

LEANNE  
Looks like we have a twin room  
available or a double bed in our  
standard room.

GUEST  
The double bed is fine.

LEANNE  
Okay cool.

Leanne hears a commotion outside, as THREE GOONS come inside,  
their holding onto Cory.

LEANNE (CONT'D)  
What's going on?

A tall empowering man steps forward, his glove pointed at the  
lobby.

VICTOR  
Get on the ground, now! Phones,  
gloves, wallets, taken 'em out!

A female goon, SAMMI, steps in.

SAMMI  
No time for heroes! Do as we say  
and no one will get hurt.

A random man tries to run away.

VICTOR  
Hey, where you going pal?

Please don't hurt us.

VICTOR  
You! Give me your gloves!

LEANNE  
I don't own any.

Victor laughs.

VICTOR  
Not gonna tell you again  
sweetheart, give me your gloves.

Sammi approaches.

SAMMI  
Holy shit. That's her.

VICTOR  
Who?

SAMMI  
You don't recognize her face?  
That's Leanne Kingsbury. She's the  
daughter of Lucas Kingsbury, the  
creator of the glove.

VICTOR  
Oh c'mon. This girl? She's a  
fucking hotel clerk? This ain't no  
rich bitch.

SAMMI  
That's her.

Victor looks at her. Cory suddenly BLASTS a blue shockwave  
that knocks out Demetri.

CORY  
LEANNE RUN!!!

Leanne sprints. Victor blasts Cory, as Cory blocks with a  
shield barrier, Sammi joins in, and they both defeat Cory.

9 EXT. HOTEL PARKING LOT - DAY 9

Leanne sprints outside the hotel, trying to flee.

Jess. Can you put dad on?

JESSICA  
Yeah, hold on a minute.

Jessica passes the phone to her dad.

JESSICA (CONT'D)  
It's Leanne.

LUCAS KINGSBURY, looks flabbergasted, he answers.

LUCAS  
Honey?

LEANNE  
Dad. I'm in trouble. I'm near  
Silver Creek Park.

Were are you taking me?

VICTOR  
None of your business.

LEANNE (V.O.)  
As I faced what appears to be my execution. I thought about all the things I could've done differently. It's in these kinds of moments that you begin to reflect on your life.

15 INT./EXT. ROAD (CAR SHOT) - DAY 15

Lucas, Jessica, and Cynthia are driving in the car, heading towards the woods.

LEANNE (V.O.)

Leanne and her father are overlooking a beautiful lake, he puts his arm around her.

LEANNE (V.O.)  
What if I had stayed, would things have been different with dad?

17 EXT. THE WOODS - CONTINUOUS 17

Victor and Sammi push Leanne to the ground.

VICTOR  
We heard your daddy's cooking up some new fancy software to make our gloves stop working, ain't that right?

LEANNE  
I don't know.

VICTOR  
DON'T LIE TO ME!

LEANNE  
I swear I don't know anything!

VICTOR  
Sure you don't. Just like you don't  
know who your daddy is.

SAMMI  
And just like you don't own a pair  
of gloves.

LUCAS  
She doesn't.

Victor and Sammi turn around. They find Lucas standing behind them, Cynthia and Jessica holding onto each other in the back.

VICTOR  
Well, well, well, look who it is.

SAMMI  
We caught ourselves a big fish.

LUCAS  
Leanne threw away her gloves. Hers  
were the first pair I ever made.  
They were the prototype.

Victor approaches Lucas.

VICTOR  
Is that right?

LUCAS  
She nearly killed a man with them,  
and she vowed to never use them. I  
think we all should've listened to  
her.

SAMMI  
Someone brought the whole fam!

VICTOR  
Cute! I'd hate to kill all three of  
his ladies tho.

SAMMI  
Shame.

VICTOR

How about this, daddy. You tell us where the government keeps the confiscated gloves, and we'll only kill one of your lovely ladies.

LUCAS

What?

VICTOR

It's a good deal, don't you think? Pick a girl, daddy, c'mon. We don't got all day.

LUCAS

I can't do that.

VICTOR

PICK A FUCKING GIRL!

SAMMI

Or we do 'em all in!

LUCAS

I...I can't...

VICTOR

**It's your choice. What's it going to be?**

LEANNE

How about you?

Victor turns around, as Leanne has her PROTOTYPE GLOVES pointed at him. She BLASTS a green shockwave. Victor BLOCKS with a shield bubble. He blasts BACK with a red shockwave, she counter blocks.

Cynthia and Jessica attack Sammi, who begins shield blocking. Sammi attacks Jessica, and knocks her out. Blood spurts from her nose, she becomes nearly unconscious. She then blasts Cynthia who is knocked out near Jessica.

Lucas begins BLASTING Sammi, as Leanne and Victor continue casting shockwaves at one another.

Leanne finally KNOCKS out Victor, as he crashes on the ground. She continues attacking and attacking, as everyone stops and stares at her. She is RAGING. Victor is LONG dead.

Sammi stares at Leanne intently. Jessica crawls towards her mother as they both gain consciousness.

Sammi runs away, terrified.

The family all stare at Leanne, who is still out of breath from her rage attack.

Her father smiles at her. Leanne smiles back, as snow begins to fall.
